Thanks, Nancy. I just spoke with [REDACTED] and let him know that we are not removing the Rolling Stone issue from the shelf or the collection. [REDACTED]

Hi Laura,

[REDACTED]

Second would you please call [REDACTED]; he called about the Rolling Stone mag with Dzhohka Tsarnaev 's picture. Several outlets such as CVS are either banning it or putting it behind the counter. He wants to know if the BPL will make it available. Just an FYI, I have the impression he does not think it should be displayed.

Thanks, Nancy
